

**COUNCILLOR ANDY PEMBERTON'S MOTION TO COUNCIL PURSUANT TO
COUNCIL PROCEDURE RULE 12 – "HIGHWAYS REPAIRS ARRANGEMENTS"**

"This Council requests that Essex County Council considers extending the arrangements currently in place with the Highways Rangers to cover minor highways repairs such as smaller pot holes, broken slabs/kerbs, cleaning out roadside drainage channels and removal/repairs to barriers and signage, to enable a quicker response to local issues. Such decisions should be made at district council level rather than the Local Highways Panel, which at present is only an advisory board for the County Council Portfolio Holder.

We could have our own committee to oversee the work."
