Decision Made:	The Portfolio Holder for Leisure and Public Realm concurs with the Head of Sport and Leisure to: A) To extend the contract with Legend to provide the electronic Leisure Management Information System, for all three leisure facilities at Clacton, Dovercourt and Walton. This manages memberships, bookings, till functions and a range of other services essential for the management of the Council's Sports Facilities. B) This extension is for 12 months. C) To fund the £42,751.44 quoted by Legend to extend the contract for 12 months, from the Management of Sports Facilities Revenue Budget for the 2026/27 revenue budget, as agreed as part of the budget setting process by Full Council in February 2026 as part of the General Fund

	budget (General Fund Budget and Council Tax report – 2026/27).
Reason for Decision (if a report was produced to support the Decision, refer to or attach it):	In consultation with and supported by Essex County Council's Procurement team and the Council's IT department, a procurement exercise was completed under the G-Cloud 13 Framework in 2023. The contract under the G-Cloud Framework initially had a term of two years, with options to extend for an additional 12 months, followed by another 12 months. As part of the procurement process and subsequent concurrence dated 16 February 2023 (KC/0000011/2), 'Legend Software' was appointed to provide the electronic Leisure Management Information System. Legend Software offers a fully integrated digital solution for the Council's leisure centre customers, including an online service and app that enhances the user-friendly self-service experience. The contract with Legend Software is scheduled to end in August 2026. To maintain continuity of service and ensure compliance with Public Procurement Regulations, an extension of the contract by 12 months is necessary, with agreement of to the contract variation.
Highlight any associated risks/finance/legal/equality considerations:	Without an extended contract and variation, the three facilities will lack a leisure management system, disrupting services and causing reputational and financial impacts.
NEW : Details of Local Government Reorganisation and/or Devolution considerations	This contract extension is due to run to 16 th August 2027, consideration will be taken to allow for a transition period while LGR is implemented fully.
Details of any Alternative Options Considered and rejected (together with reasons):	If the contract is not extended and if TDC doesn't agree to the contract variation, the three facilities will lack a leisure management system, and re-procurement will take considerable time. Moreover, transferring systems will require extensive planning. Considering LGR and Devolution, extending the contract now allows for understanding the broader context before proceeding with full procurement.
Details of any declarations of interest (by Portfolio Holder/Committee Chairman who was consulted by the officer, which related to the decision) If relevant, a note of the dispensation granted by the Monitoring Officer:	N/A
