Dear Mr Fisher and Ms Bryan

RE: **COMPLAINT ABOUT A HIGH HEDGE SITUATED AT 4 ABBOTTS CLOSE, WIX CO11 2RW. REFERENCE NUMBER HH558**

I refer to the complaints, made under Part 8 of the Anti-social Behaviour Act 2003, about the high hedge situated at 4 Abbotts Close, Wix, CO11 2RW. The complaints alleged that the hedge is adversely affecting the enjoyment of the domestic properties at 6,8 and 10 Wheelwrights, Wix, CO11 2BG. In particular, it was alleged that the hedge blocks light to the gardens, affecting the owner's enjoyment and use of the private amenity spaces as well as light reaching the dwellings.

The Council have considered:

Representations made by the complainant and the owner of the land where the hedge is situated;

The contribution that the hedge makes to the character and amenity of the area.

An officer of the Council visited the site on 10 August 2026.

Main Considerations and Conclusion

I enclose a copy of the case report that summarises the representations and other information before the Council and explains how we have assessed and weighed the various issues raised by the complaint.

The Council's role in these cases is to seek to strike a balance between the competing rights of neighbours to enjoy their respective properties and the rights of the community in general, and thereby to formulate a proportionate response to the complaint.

As the report indicates, the main considerations in this case are whether the problems complained of are sufficiently serious to justify action being taken in relation to the hedge, bearing in mind the effect such action would have on the property where the hedge is situated and on the wider area.

Following the assessment of the hedge it is apparent that it is causing an obstruction of daylight and sunlight to the gardens and the windows on the southern elevation of the dwellings at 6, 8 and 10 Wheelwrights, Wix, CO11 2BG.

On balance, the Council believes that the harm caused by the hedge outweighs other factors and that remedial action is required.

Formal Decision

For the reasons given in the case reports, the Council have decided that the height of the hedge in question is adversely affecting the complainant's reasonable enjoyment of their properties and hereby issue the enclosed remedial notices specifying the action that must be taken in relation to the hedge to remedy the adverse effect and to prevent its recurrence.

If you would like further information about our decision, please contact Clive Dawson on Tel. no. 01255 686155 or cdawson@tendringdc.gov.uk , quoting the reference number given above.
