Status of the Local Plan

The 'development plan' for Tendring is the 2007 'adopted' Local Plan, despite some of its policies being out of date. Paragraph 215 of the NPPF allows local planning authorities to give due weight to adopted albeit outdated policies according to their degree of consistency with the policies in the NPPF. Paragraph 216 of the NPPF also allows weight to be given to policies in emerging plans according to their stage of preparation, the extent to which there are unresolved objections to relevant policies and the degree of consistency with national policy. As of 16th June 2017, the emerging Local Plan for Tendring is the Tendring District Local Plan 2013-2033 and Beyond Publication Draft. Part 1 was examined in January 2018 with the Inspector's report awaited and whilst its policies cannot yet carry the full weight of adopted policy, they can carry some weight in the determination of planning applications. Where emerging policies are particularly relevant to a planning application and can be given some weight in line with the principles set out in paragraph 216 of the NPPF, they will be considered and, where appropriate, referred to in decision notices. In general terms however, more weight will be given to policies in the NPPF and the adopted Local Plan.

5. Officer Appraisal (including Site Description and Proposal)

Site Description

The application site is Clacton Youth Centre, a two storey building located within the development boundary of Clacton on Sea.

Proposal

The application seeks planning permission for the replacement of windows and doors to the existing further education centre.

Assessment

The main considerations for this application are the design and appearance and the impact upon neighbouring amenities.

Design and Appearance

QL9, QL10 and QL11 of the Tendring District Local Plan (2007) seeks that all new development should make a positive contribution to the quality of the local environment and protect or enhance the local character and that development should not have a materially damaging impact on the privacy, daylight or other amenities of occupiers of nearby property.

The proposed windows and doors are external changes and will be constructed from differing materials; white uPVC framed doors and frames and white uPVC framed double glazed units with a similar design to the existing. As the building is set back from main road it is considered that the proposed changes will not result in any material harm to the street scene or the character of the area.

Neighbouring Amenities

Due to the distance and relationship with neighbouring properties and that the proposal is to replace the existing windows and doors, there will be no change to the impact to residential amenities.

Other Considerations

Clacton on Sea is non parished.

No letters of representation have been received.

Conclusion

In the absence of significant material harm as a result of the development, this application is recommended for approval.

6. Recommendation

Approval - Full

7. Conditions / Reasons for Refusal

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans and document: Drawing No. 1569/03, 1569/04 and Design Statement dated 16th April 2018

Reason - For the avoidance of doubt and in the interests of proper planning.

8. Informatives

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
